Working parties coming up over the summer

The recladding project will be on hold this year due to funding issues but the usual clean up and food and firewood replenishment work parties will take place in February and April 2012. Please make an effort to attend at least one over the summer – they are a good opportunity to get out of the city, enjoy the mountain and some good company.

Dates: to be advised in the New Year.

Summer activities at the club house

Some summer activities are being organized over Waitangi weekend (4th -6th Feb) including a three hour cycle on Old Coach Rd or Fisher's Rd in National Park and a Tongariro Crossing walk. Please contact Phil Oliver for information on 021 2772028 or chiefwarden@snowlineskiclub.org.nz

Remember that the Tongariro area is just as beautiful in the summer as it is in the winter. Take advantage of the summer nightly rates to get out and enjoy the range of National Park summer activities.

Snowline AGM – Weds 7th March 2012 – Venue to be advised

I'm giving you plenty of warning about the AGM date for 2012 so you can put it in your diary for next year. Think about any issues you might want to discuss, come along and have your say. That's it from me this month. Hope to see you at the Christmas Party.

Merry Christmas to you all.
